

FLY-OFF OFFICIAL RULES

Fly-Off may only be entered in or from the 50 United States and the District of Columbia and entries originating from any other jurisdiction are not eligible for entry. This Fly-Off is governed exclusively by the laws of the United States. You are not authorized to participate in the Fly-Off if you are not located within the United States.

1. How to Enter. To enter the Fly-Off, the parent or legal guardian of an entrant must pre-register for the Fly-Off on behalf of their child by going to GreatPaperAirplane.org between September 2022 – Nov 12, 2022 and filling out an online pre-registration form including the parent's or legal guardian's name, physical address, and email address, and the full name and date of birth of their child. On the day of the Fly-Off, entrants must be accompanied by a parent or legal guardian who must sign a media release as well as an agreement consenting to the terms of these Official Rules of the Fly-Off. **Only the first 400 entrants who pre-register for the Fly-Off will be eligible to enter. Limit 400 entrants.** All entry information and paper airplanes shall be collectively referred to herein as the "Submissions" or each as a "Submission." Sponsor reserves the right to cancel or modify this Fly-Off in the event an insufficient number of Submissions are received.

The Fly-Off will be held on November 12th, 2022. On the Fly-Off day, report to the Pima Air & Space Museum at the designated time and receive your flight packet consisting of a nametag and flight log, one museum admission ticket for each family member of the entrant (up to four tickets total per entrant), an itinerary for the Fly-Off, and paper airplane materials. Once an entrant receives his/her flight packet, the entrant can proceed to the build area and begin to construct a paper airplane according to the specifications set forth in Section 4.

By entering, each entrant warrants and represents the following with respect to their Submission: (a) entrant is the sole and exclusive owner of the Submission; (b) the Submission is entrant's own creation; and (c) the Submission will not infringe on any rights of any third parties.

Limit one (1) entry per person. All entries, including Submissions, become the sole and exclusive property of the Sponsor and receipt of entries will not be acknowledged or returned. Sponsor is not responsible for lost, late, illegible, stolen, incomplete, invalid, unintelligible, or misdirected entries, which will be disqualified, or for problems of any kind whether mechanical, human or electronic. Only fully completed entry forms are eligible. Proof of submission will not be deemed to be proof of receipt by Sponsor.

2. Start/End Dates. The Fly-Off begins at **9:00 AM MT on 4/13/2019** and ends roughly at **1:30 PM MT on 11/12/2022** (the "Fly-Off Period").

3. Eligibility. Participation open only to legal residents of the fifty United States or the District of Columbia who are between 6 and 14 years of age as of date of entry and who have a parent or legal guardian present at the Pima Air & Space Museum during the Fly-Off Period. Void outside of the 50 United States and the District of Columbia, and where prohibited, taxed or restricted by

law. Employees, officers, directors, and volunteers of The Arizona Aerospace Foundation, d/b/a the Pima Air & Space Museum and the Titan Missile Museum (“Sponsor”) and its parent companies, subsidiaries, affiliates, partners, dealers, advertising and promotion agencies, manufacturers or distributors of Fly-Off materials and their immediate families (parents, children, siblings, spouse) or members of the same household (whether related or not) of such employees/officers/directors/volunteers are not eligible to enter. You are not authorized to participate in the Fly-Off if you are not located within the United States or the District of Columbia. All federal, state and local laws and regulations apply.

4. Paper Airplane Construction. All of the materials required to construct a paper airplane will be provided. In addition to the materials provided, Sponsor will supply basic folding techniques for the entrants to reference. Entrants are permitted to submit paper airplanes constructed prior to the start date of the Fly-Off, provided that they otherwise comply with the requirements of these Official Rules.

All paper airplanes must meet the following criteria: Airplanes must be constructed out of a single 8 ½ x 11 sheet of paper that is 20lb bond weight (may also be referred to as 50lb text weight). The paper can undergo any amount of folding and cutting or tearing, but no tape, paperclips, staples, glue or any other added materials may be included. The airplane can be personalized by using either white or colored paper (at the required weight). The only additional materials permitted are the use of crayons, markers, pencils and pens. Sponsor acknowledges that a certain level of parent participation may be required for the younger entrants. Such parent involvement must be limited to vocal coaching and all airplane construction must be completed by the entrant.

5. Competition and Judging. There will be a designated practice area for entrants to test their airplanes prior to competition. All practice tosses must happen in this area. Prior to each contest flight, each paper airplane will be examined by Sponsor or its representative to ensure that it conforms to the construction and material guidelines for the Fly-Off. At this time airplanes that do not conform will be disqualified from the Fly-Off.

Rounds: All entrants will be divided into age brackets (6-8 years of age, 9-11 years of age, and 12-14 years of age). Each age bracket will be called to report for the first round. Approximately Three (3) entrants will compete at a time according to their age bracket. There will be Three (3) spotters/recorders. Each spotter will be assigned to a designated entrant. Each entrant will have one (1) opportunity to launch their paper airplane as far as they can. When the airplane from the spotter’s designated entrant makes first contact with the ground, the spotter will go to that area and record the distance of the throw. Any additional skidding that occurs after the point of touch down will not be counted as additional distance. The recorder will then turn in the entrant’s distance of throw to the judges table. All entrants per age bracket distance of throw will be recorded and ranked with the top 3 entrants from each age bracket moving on to the final round.

6. Prizes. One (1) grand prize winner in each age bracket will receive a 30-minute experience Introduction to Flight. The name of the grand prize winner from each age bracket will have their name engraved on a perpetual trophy that will be displayed at the Pima Air & Space Museum.

Total approximate retail value of each grand prize: \$300. Prizes are non-transferable. No substitutions or cash redemptions. In the case of unavailability of any prize, Sponsor reserves the right to substitute a prize of equal or greater value. All taxes and unspecified expenses are the responsibility of winners.

7. Notification. Winners will be notified at the end of each competition round. Each grand prize winner's parent or legal guardian will be required to sign and return, where legal, a Declaration of Eligibility, Liability/Publicity Release and/or rights transfer document on the day of the Fly-Off at the Pima Air & Space Museum. If any winner cannot be contacted within thirty (30) minutes of first notification, if any prize or prize notification is returned as undeliverable, if any winner rejects his/her prize or in the event of noncompliance with these Fly-Off rules and requirements, such prize will be forfeited and may be awarded to the Submission with the next highest score. Upon prize forfeiture, no compensation will be given.

8. Conditions. Submissions may be cut, edited, reformatted, rearranged, combined with other materials and/or otherwise modified, in Sponsor's sole and absolute discretion. Any and all federal, state and local taxes are the sole responsibility of the winners. Participation in Fly-Off and/or acceptance of prize constitutes entrants' and winner's permission for Sponsor to use his/her name, address (city and state), likeness, photograph, picture, portrait, voice, biographical information, Submission and/or any statements made by each winner regarding the Fly-Off or Sponsor for advertising and promotional purposes without notice or additional compensation, except where prohibited by law. By participating, entrants and winner agree to release and hold harmless Sponsor, its partners and promotion and advertising agencies and each of their respective parent companies, subsidiaries, affiliates, partners, representatives, agents, successors, assigns, employees, officers and directors (collectively, the "Released Entities"), from any and all liability, for loss, harm, damage, injury, cost or expense whatsoever including without limitation, property damage, personal injury and/or death which may occur in connection with, preparation for, travel to, or participation in the Fly-Off, or possession, acceptance and/or use or misuse of prize or participation in any Fly-Off-related activity and for any claims based on publicity rights, defamation, invasion of privacy, copyright infringement, trademark infringement or any other intellectual property-related cause of action. Entrants who do not comply with these Official Rules, or attempt to interfere with this Fly-Off in any way shall be disqualified. In such case, Sponsor may select the winners from all eligible entries received prior to and/or after (if appropriate) the action taken by Sponsor. Sponsor reserves the right, at its sole discretion, to disqualify any individual it finds, in its sole discretion, to be tampering with the entry process or the operation of the Fly-Off or web site.
